No.CDOE/MSc Courses- Org.Chem./PCP/2025

Date : 09-07-2025

Dear Learner,

***Greetings from the Centre for Distance and Online Education***

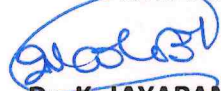

We wish to inform you that OFFLINE Personal Contact Programme (PCP) of theory classes for M.Sc. Organic Chemistry second semester students of 2024AY admitted batch will be held as scheduled below.

<b>Personal Contact Programme (Theory Classes)</b>	<b>Dates of Theory Classes</b>	<b>Place of Theory Classes</b>
M.Sc. Organic Chemistry (Semester-II)	15-07-2025 to 22-07-2025 (08 days)	At allotted Study Center  (See the Attachments to know about allotted study center)

The Personal Contact Programme for 08 days will be conducted only offline at allotted study centers attached below. Students should check for their allotted study center and attend the classes only at the allotted center. If any student is not allotted to any study center or in need of any change of study center, the student should contact the Course Coordinator and Director of CDOE, Andhra University.

Students should attend the classes without fail. 75% attendance separately for theory and practical classes is compulsory. The Practical Training Programme schedule (practicals for second semester) will be intimated later.

With best wishes,

  
**Dr. K. JAYARAM**  
Course Coordinator

### Instructions to the Students (Learners):

1. Learners allotted in the Study Centre should report on the first day of the Practical classes.
2. 75% Attendance is compulsory for practical classes and **only those learners who put up at least 75% attendance are considered eligible for appearing practical examinations.**
3. Signatures and photographs (of all students attending the practical classes at study centers) will be taken twice a day for calculating the total attendance.
4. Every day attendance (signatures and photographs) from all study centers will be forwarded to CDOE, AU without fail to determine the eligibility of candidates to attend practical examinations.
5. Depending on the attendance, the CDOE, AU will finalize the eligibility of each candidate of every study center to attend the practical exams at the end of the practical classes.
6. Details of practical classes and exams will be provided by study centers.
7. Any query regarding the allotment of study center, attendance shortage or any other information should be addressed to [sdeauvsp@andhrauniversity.edu.in](mailto:sdeauvsp@andhrauniversity.edu.in) or the learner may contact the Course Coordinator and Director, Centre for Distance and Online Education, Andhra University, Visakhapatnam.
8. Learners can also contact 0891844162, 0891844163, 0891844164, 08912754966, 8688447782 for their queries.
9. All information regarding ID Card, Course material, Assignments, Classes schedule, Hall Tickets, Online payments, results etc. is available in the Student Portal. The learners need to login in to their Student Portal frequently for all the information.
10. All four Semesters of MSc Organic Chemistry would have theory classes and practical classes. Their schedule will be intimated through Student Portal from time to time.
11. Learners need to pay term fees/semester fees regularly. They need not pay for theory and practical examinations if they continue the current/regular semester to which they belong. For example, Semester I/ II/III/IV students of 2024AY admitted batch need not pay examination fee if they complete theory and practical classes successfully in their current/regular semesters. They can download hall tickets before examinations.
12. However, if they wish to attend the classes sometime later and appear for supplementary exams, then they have to pay the examination fee separately for theory and practical examinations. It is advised to complete the practical classes with regular semesters only.
13. The faculty at allotted study centers will assist the learners in their class schedule. The learners can utilise the services of faculty in writing assignments, understanding the course material, completing the practicals and preparing for examinations.
14. Read the Syllabus, Course Material and lab manuals carefully. Sometimes each book covers syllabus of two semesters. You prepare accordingly. For any doubt, you can take the advice of faculty from the study center.
